

Big Sand Lake Association Board Meeting

November 14, 2020

Convened via video conference

Attending: Dennis Loots, Jim Anderson, Rick Hicks, Jim Cobb, Don Button, Paul Hassing

Dennis brought the meeting to order at 10am

Rick Hicks introduced himself as the new board member.

Dennis stated that Brian Bocan submitted a new CUP to the county with 50 campsites and 5 camper cabins. The CUP switched to "camper cabins" to address concerns about Olsen Rd access and traffic. The BSVLACC is attempting to delay the meeting currently scheduled for Dec 7th.

BSVLACC wants to work with the town of Sand Lake to put guidelines in place that would give the township more voice with the county.

Dennis proposed providing \$500 to BSVLACC. All in attendance approved.

Since BSVLACC is coordinating all activity on the CUP/campground issues no additional action by BSLA is required.

Don suggested a series of meetings for the board to discuss lake health issues. We will try a one hour virtual meeting sometime after Thanksgiving.

Meeting adjourned at 10:38am

Respectfully submitted,

Jim Cobb
BSLA Secretary
